Worms

"Cacarets are certainly fine. I gave a friend one when the doctor was treating him for cancer of the stomach. The next morning he passed four pieces of a tape worm. He then got a box and in three days he passed a tape worm 45 feet long. It was Mr. Matt Freck, of Millersburg, Lauphin Co., Pa. I am quite a worker for Cacarets. I use them myself and find them beneficial for most any disease caused by impure blood."—Chas. H. Condon, Lewistown, Pa. (Mills Co.)

SOCIETY

After this doleful season of penance the pendulum is now going to swing back, and this Easter season bids fair to be one of unusual interest in a social way. On Monday afternoon Mrs. James B. Hayden has asked a number of guests to meet Mrs. A. H. Connelly, Mrs. A. S. Davis and Mrs. Harry Bruce Walker of Kansas City. The house will be prettily decorated in Easter palms and flowers, and Mrs. Hayden will be assisted by Mrs. W. A. Knowles, Mrs. Davis, Mrs. M. Jones, Mrs. Fred Dumont Smith of Kinsley, Mrs. C. A. Morse, Mrs. Margaret Wiggins, Mrs. Frank Hobart, Mrs. Scoville, Mrs. Arthur Nichols, Miss Nellie Clough, Miss Kate Clough, Mrs. C. G. Foster and Miss Lillian Foster.

Miss Hazel Howe will give a bridge party Monday afternoon complimentary to Miss Nadine Lytle.

The Assembly club will give its Easter dance at Steinberg's Monday evening. There will be a number of out of town guests for the occasion.

Mr. and Mrs. J. W. F. Taylor of Leavenworth have announced the engagement of their daughter Emma to Mr. Wayland Eugene Campbell of Topeka. The wedding will take place in the near future.

The color combination used in trimming the hat sketched above was exquisitely dainty and harmonious. The shape was slightly drooping with a very faint distinction between the crown and brim, the profile showing an almost continuous line, and was fashioned of ecru straw. Set high

around the crown were two rows of pale pink crushed roses and on either side of the front were placed bunches of delicate purple lilacs. Loops of pale pink velvet ribbon lay flat against the brim, starting from beneath the rose wreaths. The new hats show a slight change in poise, being slightly elevated at one side. This does not mean that a sufficiently high bandeau is used, to be noticeable, but merely to break the straight flat line in vogue last season.

Mrs. Charles Curtis entertained a few friends at an informal dinner Friday evening at her home, 1190 Topeka avenue.

The Travelers' club will meet with Miss Mabel Stone Saturday, April 17, at her home, 1821 Clay street.

Miss Grace Osborn gave an informal party Friday night in honor of her guest, Miss Edna Eberhardt of Salina. The company included Miss Florence Welsh, Miss Helen Johnstone, Miss Lotta Johnstone, Miss Margaret Goring, Miss Grace Welsh, Miss Eberhardt, Mr. Billie Montgomery, Mr. Clay Hamilton, Mr. Jerry Johnstone, Mr. George Allen and Mr. Bernard Crosby.

An excellent idea for a street toilet for spring and summer wear is the new sleeveless coat. These are made to appear part of the gown beneath, as the lines of the coat follow those of the gown and the coat gives a slightly added warmth without the added weight and bulkiness of the

regulation garment. This model was of the new spring shade of Mogol (a yellowish brown) shantung, worn, of course, over a gown of the same. It clung snugly to the form, gracefully outlining its curves, and was fastened below the hips on each side by a braided ornament, matching the soutache braid used for trimming.

Miss Rachel Coston gave a lovely luncheon today at her home, 1009 Buchanan street. The table was beautifully trimmed in yellow jonquills and the place cards were all Easter suggestions. Covers were laid for Miss Esther Rodgers, Miss Clyde Bonebrake, Miss Marie Lagerstrom, Miss Mary MacLennan, Miss Mary Alexander, Miss Marguerite Koonitz, Miss Marion Wear, Miss Leona Curtis, Miss Laura Hall, Miss Helen Bear, Miss Isabel Mills, Miss Una Lytle, Miss Hazel Nelson, Miss Marjorie Rodgers, Miss Jean Rodgers, Miss Dorothy Scott, Miss Katherine Dolman of Lawrence, Miss Dorothy Porter, Miss Frances McClintock, Miss Josephine Perry, Miss Annie Laurie Hillyer and Miss Lenora Stubbs.

The Music Study club will meet next Friday with Miss Vivian Bush, 1409 Kansas avenue.

Miss Anna Marie Nellis of Topeka, Kan., who for several months has been the guest of her sister, Mrs. Harmon Scott, 1781 South Figueroa street, will leave for the east tomorrow, going by way of San Francisco, where she is to visit for a few days. Miss

Nellis has been widely entertained during her stay here.—Los Angeles Express.

Mrs. Mary Glise was given a linen shower on Friday afternoon at her home, 1624 Topeka avenue, in honor of her birthday, by the following friends: Mrs. John Scheffer, Mrs. H. M. Jones, Mrs. Bella Patton, Mrs. Alma Roccord, Mrs. Lillian Scheffer, Mrs. Minnie Kientz, Mrs. Ona Patton, and Mrs. Etta Gillmore.

The Hellenanthus Literary club will meet Friday, April 16, with Mrs. John Price, 415 Madison street.

Here is shown a specimen of the suspender or jumper dress adapted to the present high-waisted mode. This gown was of a pale shade of Pagoda blue linen, worn over a short waist or guimpe of fine tucked lawn and lace. The little close-fitting waist closed at the back and had the usual wide armholes of the jumper and around these and the neck was a simple design of soutache in self-tone

with additional trimming of crochet buttons. This trimming also edged the zigzag line of the skirt joining. A motif of the soutache occupied the center of the bodice front with pendant crochet ornaments at either side. Beading and black velvet ribbon followed the seams of the front gore for a distance of six or eight inches, each terminating in one flat loop and end.

On Wednesday there will be an Easter sale and luncheon given in the Guild parlors of Grace cathedral. The sale will be in charge of Mrs. C. E. Foote, Mrs. Frank Hobart, Mrs. Voorn, and Mrs. C. W. Merriam. Luncheon will be served from 12 until 2 o'clock, and will be in charge of Mrs. Oscar Woolverton, Mrs. D. L. Lakin, Mrs. F. W. Mullinix and Mrs. C. B. Reed.

The Topeka Ceramic Art club will meet on Friday with Miss Marie Wittwer, at her home, 1125 Western avenue. Mrs. J. K. Jones will assist the hostess. Mrs. Margaret Hill McCarter will address the club on Oriental Pottery.

MISS EDNA IRVINE

What Does Your Mirror Say?

Does it cheerfully report an abundance of beautiful, well kept hair, or does it regretfully tell the story of hair neglect?

Your mirror may be anxious to please, but if you permit your friends to see dull, brittle and lusterless hair with possibly dandruff and falling hair, your mirror will have to reflect the same condition.

All of the unfortunate EFFECTS can be overcome by destroying their CAUSE with

NEWBRO'S HERPICIDE

The Original Remedy that "Kills the Dandruff Germ"

Dandruff, with its consequent hair injury and hair loss, is now known to be a highly contagious germ disease. It is caused by an invisible growth of vegetable character that finds lodgment in the sebaceous glands of the scalp. This growth disturbs the functions of the sebaceous glands, causing excessive oiliness or extreme dryness of the hair. It also sets up an inflammatory process that extends down the follicle to the papilla, where the adhesions are loosened and the hair slips out. The value of Newbro's Herpicide in such cases is quite extraordinary. Its intelligent use will correct every condition short of chronic baldness and thus permit the hair to resume its natural luster and abundance.

RELATIONS ARE RESUMED.

First Boat Race in Twenty Years Between Pennsylvania and Yale.

Philadelphia, April 10.—Aquatic relations between Yale and the university of Pennsylvania, after a lapse of 20 years, were resumed this afternoon, when crews representing them met in contests over the national course in the Schuylkill river. Yale varsity met Pennsylvania varsity and the second crews of both institutions also rowed.

At noon ideal weather was predicted for the races which were to begin at 4 o'clock. While the day was cool, there was on the river probably but little wind. The original arrangement was for the races to be rowed over a two mile course but yesterday it was decided to reduce the distance to one and one-half miles. The change was made to avoid a sharp turn in the river which might handicap the

crew holding the outside position.

The crews were as follows:
Yale, first: Rice, bow; Glenn, No. 2; Brainerd, No. 3; Wallace, No. 4; Wadell, No. 5; Hyde, No. 6; Mills, No. 7; Homer, captain, stroke; Cass, coxswain.

Pennsylvania, first crew:
Hoagland, bow; Rogers, No. 2; Shelling, No. 3; Breiteneger, No. 4; Walton, No. 5; Shoemaker, captain, No. 6; Braddock, No. 7; Pallard, stroke; Westcott, coxswain.

Yale second crew:
Brooks, stroke; Holloway, No. 7; Patterson, No. 8; Baker, No. 9; Colburn, No. 4; Van Blarcom, No. 3; Frost, No. 2; Thorne, bow; Fearing, coxswain.

Pennsylvania, second crew:
Brown, bow; Helsler, No. 2; Ferguson, No. 3; Marx, No. 4; Reeves, No. 5; Thompson, No. 6; Bennett, No. 7; Stiles, stroke; Rosenbarten, coxswain.

Chicago Road Races Sanctioned.
Chicago, April 10.—Official sanction of the Automobile Association of America has been given the Chicago Automobile club to conduct its road races, June 18 and 19. The events, which will be held over the Crown Point-Lowell course, include a contest for light cars and a race for the Cobe trophy.

File Clerk in House Dies.
Washington, April 10.—John R. Williams of Scranton, Pa., who for several years has been file clerk of the house of representatives, died of an acute attack of Bright's disease at the Pennsylvania club here early today. He was taken sick about six weeks ago and his condition gradually grew worse.
